W.P.W.P.C.A. TRAINING NOTICE

Securing Drinking Water & Wastewater Treatment Facilities

DEP Course # 2952

The Pa Water and Wastewater Systems Operator's Certification Act mandates that the standards for certification, recertification and renewal of certification shall include training related to the security of water and wastewater systems. This course is designed to meet the system security training requirement of the Act. The learner will be able to recognize methods for developing and increasing security awareness as it applies to water and wastewater treatment facility operations.
